Medicine X Design

2025 Medicine x Design
Seminar

2025

Japanese
and
English

11.5 (Wed.)

16:30 - 18:30

Zoom Webinar

(JST, UTC +9:00)

This seminar introduces pioneering approaches to collaboration between healthcare and design (art and technology).

This year, we will feature a special lecture on the collaboration between hospitals and design/art that is currently underway in Zurich, Switzerland, and Kanazawa, Japan. We look forward to your participation.
