Great feares

私のために日本に来ることは素晴らしい経験でした、そして、私がここで経験したすべての感情を表現できるかどうかは本当にわかりません。ブラジルを去るとき、コミュニケーションの困難さについていくつかの恐れが私を悩ませました、しかし何もここに私の滞在の障害でした。私は空港、ホテルそして病院で素晴らしい方法で迎えられました。

Future Plans

- To implement in my institution the technical lessons learned;
- Support TEMDEC in disseminating and strengthening the participation of more institutions in our network in Minas Gerais;
- Support TEMDEC in the plans for the Telemedicine Workshop to be held in 2020 in Rio de Janeiro;
- Develop new projects using methods and techniques in partnership with TEMDEC in Telemedicine in Brazil, strengthening Teleeducation.

Acknowledgments

I would like to thank my training partner Luan and my private physician Dr. Carlos for the moments we spent together.

My sincere thanks to all of you who have made this wonderful opportunity possible.

Thank you, TEMDEC for the work you have done,
thank you FUKUOKA for having welcomed me so well and
thank you JAPAN for your wonderful people and culture.

Thank you!
